

Greetings from the Education Chair...

Thank you all for attending the 2014 RAP Conference and hope everyone enjoyed themselves and our speakers that were offered this year. I think we had some amazing speakers this year and many have been requested back for next year. We have already begun looking for speakers for next year's conference and have set up a few already. I appreciate everyone that filled out the surveys and turned them back in as these are a huge help to us in making sure we provide you with the topics that interest you. Please feel free to email me at Kimberly.Cline@genesishcc.com or call me at 937-687-1311 if you have any suggestions for speakers or topics.

Thank you once again and Happy Thanksgiving and hope everyone has a Merry Christmas!

Kim Cline
