Hello Everyone!

I hope you are having a good New Year!

As membership chair I am anxious to meet new attendees and see past members at the 41st Annual Conference this October.

Anyone interested in becoming a District Rep, please contact me. Also anyone interested in joining RAP feel free to contact me as well.

You will get new ideas and education when you join, and make new friends at our yearly conference.

Please remember to make suggestions, nominate members for the Board of Trustees, and to nominate members for the awards given out at the annual banquet.

I am now working at Meridian at Cambridge. This is a new adventure for me in assisted living with memory care.

My contact numbers at work Monday thru Friday 9-5 are 740-432-2262

Or fax at 740-439-3463.

A Word from Awards & Nominations

Hear Ye Hear Ye

We need your input to encourage our other professionals. We may feel that we are all alone with an unbearable work load, but in order to grow we need to encourage and recognize our peers. Think how you feel when your boss or a family member thanks you for your efforts for their loved ones.

Valentines day is upon us and we need to show our love to someone else and say job well done. The secret to appreciation is to give it to others and it will return to you tenfold. Do not delay submit someone's name today and see how much better you will feel. It only takes a moment but the person receiving the praise will in turn bless others when they see their efforts ARE APPRECIATED.

We are in the work of praise and encouragement. Do not let it just be within our little circle. Expand and bless others and you in turn will feel as the Grinch did when his heart expanded tenfold.

Have a great Valentine's day and be a blessing to everyone you come in contact with. I love my residents, but I love my fellow Activity Professionals even more.

We need to share our love and recognition so we all GROW!!!
