News from our President.....

Hopefully everyone is warm and safe. The RAP Board is in the process of gathering ideas to present at this year's conference. We will be deciding on a theme at the next board meeting so if you have any suggestions that you would like to see please submit them to our email at rapinohio@yahoo.com Our education chair Kim Cline is working hard to provide great topics and speakers for this year's conference. The next board meeting will be in April and we anticipate to have much accomplished for the coming conference. Suggestions for speakers can be made directly to Kim at Kimberly.Cline@genesishcc.com

I hope that everyone celebrated National Activity Week. Our residents, families and client know we are the glue that holds our facilities together as we empower our residents and give them purpose.

The NAAP (National Association of Activity Professionals) conference is up and coming. For further details check out their website www.NAAP.com

Help keep the RAP organization strong and viable. We must cherish the 40 years that RAP has provided activity professionals with great leadership.

Karla Hale, RAP President

Hello everyone!

Hope you're doing well and keeping warm.

As Vice President one of my responsibilities is to get vendors for our 2015 conference

I have been searching new vendors and encouraging our favorite ones to return.

If you know of a company that would be a benefit to use please send me their contact information or send it to our RAP office it will be forwarded to me.

Once we know our theme I Will work on a T- Shirt design.

Again please send any vendor contact information to me.

Pearl Kress, ADC, CDP

RAP Vice President
